Subject FINAL SUBMISSION - ROSIN ESTERS - PINE CHEMICALS  
ASSOCIATION - CONSORTIUM REGERISTRATION #

Attached is the Final Submission for Rosin Esters. Since we have previously submitted a revised test plan, it would be inaccurate to label this Final Submission as another revised test plan. Our revised test plan was posted on the HPV website on October 22, 2003. Therefore, we respectfully request that this Final Submission be posted to the HPV website identified as such and not incorrectly as a revised test plan.
